

Assignments Submission Check List

For each assignment, **after** you submit your assignment **zip file**, do the following to verify that you have submitted the correct assignment:

1. Download from Canvas the zip file you just uploaded for the assignment.
2. Verify that:
 - a. The zip file can be unzipped using the unzipping utility on your PC.
 - b. The unzipped assignment folder is not empty.
 - c. The assignment is the correct assignment (that is, don't submit assignment1 files for assignment2).

Do the above verifications with every assignment so that you don't lose points.

Penalties for Incorrect or Wrong Submissions

- a. I cannot unzip your file (because it is not a zip file) → **50% penalty**.
- b. The unzipped folder is empty → **50% penalty**.
- c. You submitted an earlier assignment → **50% penalty**
